Phase I Refurbishment

Drawing Title:
Existing Entrance Foyer Plan and
Section

Scale: 1:50 **Date:** Feb24 **Drawn by:** JD

Drawing No: 24865/112 **Revision:** --

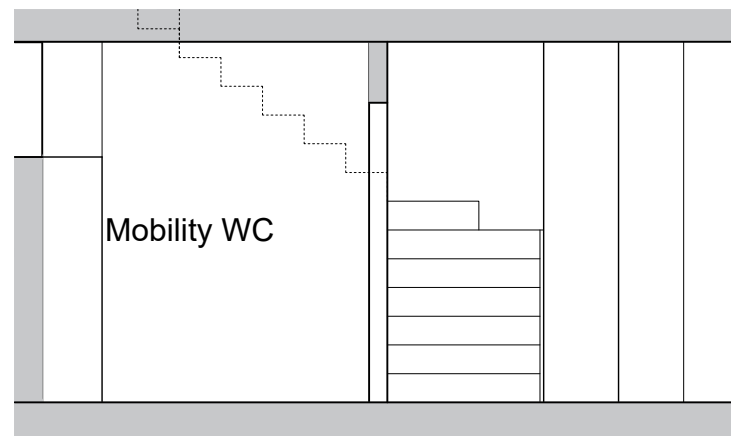

< Original size 60mm - A3 at full size >

Notes:

- existing mobility toilet size not DDA compliant, minimum of 2200mmx1500mm required
- existing mobility toilet door is too close to the bottom of the stair. Building Regulations stipulate a minimum distance requirement of 400mm from stair to door opening
- existing stair believed to be non-compliant with current Building Regulations, which requires a 1m landing every 12 risers in a commercial setting

Any alterations to these elements will require full compliance with current Building Regulations

- existing foul drainage route unknown
- ownership of existing external manhole unknown, build over agreement may be required
