

Notes:

- no access was available to the store room behind the bar area, assumptions on the dimension have been made by taking measurements along the hallway and into the room beyond.
- the hallway slopes upwards to the back of the stage, it is assumed that the FFL within the locked store room is higher than the existing bar.

Plan

Section B-B

SCALE BAR 1:50

Existing Plan and Section
Scale 1:50

Do not scale from this drawing for construction. Figured dimensions only to be taken. Check all dimensions prior to setting out. Report all discrepancies to the Architect.
