

Alternative ways to dispose of your waste and recycling

Materials that Surrey residents can recycle at home

Rather than taking a trip to a CRC, you might be able to recycle some of your waste in your regular collection. Items which are collected from all Surrey homes for recycling are:

- Paper and card
- Plastic bottles
- Glass bottles and jars
- Food tins and drinks cans
- Food waste
- Garden waste (subscription service)

For full details of recycling services in your area, including if you have a regular collection of clothes and home textiles and small electricals from your home, visit surreyep.org.uk.

Chargeable waste

There are already charges for the disposal of some materials including rubble, soil, plasterboard and tyres. These can currently be taken to Camberley, Earlswood, Epsom, Guildford, Leatherhead, Lyne, Shepperton, Witley and Woking CRCs.

However, from 3 June 2019:

- There will also be charges for construction wood waste such as sheds, roofing felt, fencing panels and posts, decking, and fitted kitchen units
- You will be able to take all chargeable waste to Farnham CRC

Please visit surreycc.gov.uk/recycling or call **03456 009 009** for locations, opening hours, and details of what can be taken to each CRC – including a full list of chargeable waste.

Changes at Surrey's Community Recycling Centres

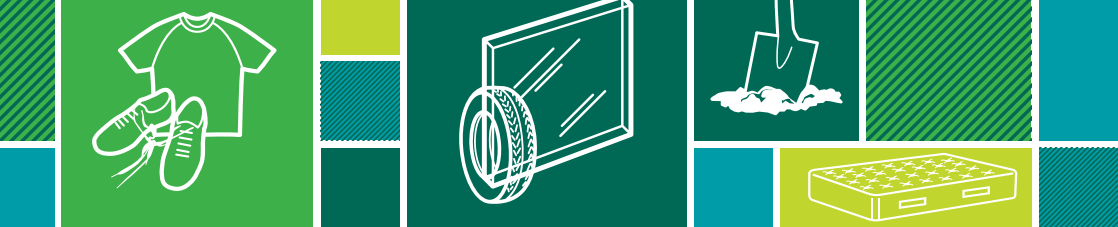

From Tuesday 7 May 2019:

- Bagshot, Cranleigh, Dorking and Warlingham CRCs will only accept recycling
- You will no longer be able to take wood and roofing felt to Caterham CRC

surreycc.gov.uk/recycling

Surrey recycles

From 7 May 2019, Surrey County Council’s Community Recycling Centres (CRCs) in Bagshot, Cranleigh, Dorking and Warlingham will only accept recycling. This is a trial while we review alternative options for maintaining an effective service, and to see if it helps residents recycle even more of their waste.

We’re also making some adjustments ahead of the introduction of charges in June for wood waste created by the construction, alteration or repair of your home or garden.

That means Caterham CRC will no longer accept any wood or roofing felt from 7 May. This is because there isn’t space to receive payments. All wood can be taken to Earlswood CRC instead. Recycling and other waste which isn’t chargeable – like black bags, hazardous waste and carpets – can still be taken to Caterham CRC.

There are no changes to opening hours at any CRCs.

What can be taken to each CRC?

From 7 May 2019, the materials which can be taken to different CRCs are changing.
