## **WE NEED YOUR HELP**

**A beautiful garden honouring local people who lost their lives over the past 100 years in conflict and those left behind who 'kept the home fires burning'.**

The Parish Council has dedicated a corner of Snoxhall Fields to be a tranquil natural woodland-style Centenary Garden. The garden and website will provide a physical and virtual hub celebrating an oral history of Cranleigh and the surrounding villages. Members of the public are welcome to become involved in the project.

**Opening November 2018**

**Please tear off this section**

**Your donation will buy:**

*£10 for a steel poppy*

*£20 towards planting*

*£30 towards benches*

*£100 and more towards features*

To be entirely funded by donations.

The Parish Council will oversee all contributions for the appeal.

**Please drop in with cash or send your cheques with this completed form to:**
