We apologise for any delays this work causes and thank you for your cooperation and patience.

The image shows a roadwork sign with a black background and yellow text. At the top left, there is a blue tag with a white outline of a road sign and the text "IMPROVING OUR ROADS" and "Surrey". At the top right, there is a blue circular logo with a white tree and the word "SURREY". The main text is in large, bold, yellow and white letters: "REBUILDING SURREY'S ROADS TACKLING THE ROOT CAUSE OF FAULTS AND POTHOLES". Below this, in white text, it says "Advance warning", "Anti-skid work:", "High Street, Cranleigh", "Thursday 22 August 2019", "For 1 night", and "Road Closed". At the bottom, there are two thick yellow horizontal stripes.

**Start date:**  
**Thursday 22 August 2019**

**Duration:**

**For 1 night**  
**8pm - 6am**

**Road closed**

Please look out for advance warning signs on site for any date changes or check [www.roadworks.org](http://www.roadworks.org) and @WaverleyLC on Twitter.

## What we are doing

We are carrying out anti-skid work on High Street, Cranleigh

**Works area and closure:**

## Information for residents and businesses

High Street, Cranleigh will be closed whilst we carry out our anti-skid work from East View Lane to outside number 258 High Street.

The red line on the map indicates the road closure and the area we will be working in.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

Surrey Highways have been given extra funding to repair roads which have suffered damage due to bad weather. The money has been used to form a programme of works called the 'Severe weather recovery programme' which we are delivering as quickly as possible to try to bring the worst affected roads in Surrey up to an acceptable standard. More information is available at [www.surreycc.gov.uk/roads-and-transport](http://www.surreycc.gov.uk/roads-and-transport).

We are giving residents as much notice as we can, but as the programme is moving quickly we aren't always able to give as much warning as we would like. We hope you are pleased with the works.

### Night works and noise

Working overnight is necessary on traffic sensitive roads to reduce disruption during peak times. It also enables longer uninterrupted working before the closure has to be lifted for daytime traffic, and results in a shorter period of disruption. There will be some noise but we will try to carry out the bulk of the noisiest works before midnight.

### Delays in work

Our work is sometimes delayed by bad weather. We will keep you updated on any changes via the advance warning signs.

### Parking

It is essential to keep the road free from parked vehicles. Please park somewhere else otherwise your vehicle may be towed away to a nearby road.
