For 3 days

8:30am - 4:30pm

Road closed

Please look out for advance warning signs on site for any date changes or check www.roadworks.org and @WaverleyLC on Twitter.

What we are doing

We are carrying out carriageway resurfacing on Kings Road, Cranleigh.

Works area & closure: 

Information for residents and businesses

Kings Road, Cranleigh will be closed between Mount Road and New Park Road whilst we carry out our resurfacing works.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

The red star indicates the road closure and the area we will be working in.

Surrey Highways have been given extra funding to repair roads which have suffered damage due to bad weather. The money has been used to form a programme of works called the 'Severe weather recovery programme' which we are delivering as quickly as possible to try to bring the worst affected roads in Surrey up to an acceptable standard. More information is available at www.surreycc.gov.uk/roads-and-transport.

We are giving residents as much notice as we can, but as the programme is moving quickly we aren't always able to give as much warning as we would like. We hope you are pleased with the works.

Delays in work

Our work is sometimes delayed by bad weather. We will keep you updated on any changes via the advance warning signs.

Parking

It is essential to keep the road free from parked vehicles. Please park somewhere else otherwise your vehicle may be towed away to a nearby road.

Noise

There will be some noise but we will try to keep it to a minimum.
