Dear Sir/Madam,

Reference: WA/2025/01253/DR1 – Condition 4

Site: LAND CENTRED COORDINATES 505703 138614
KNOWLE LANE
CRANLEIGH

Proposal: Erection of machine storage shed, welfare unit, workshop and open field shelter together with siting of a storage container and associated fencing and security lighting/cameras.

Thank you for your application to discharge the following condition: 4.

We confirm that, the information submitted for approval consisting of:

Condition 4 - Soft landscaping and planting details (Proposed Landscaping Plan - 25029/300 by Carter Davey Architects)

are sufficient details pursuant to Condition 4 of WA/2025/01253.

Please note that this decision relates solely to the details submitted in relation to the information required by the conditions referred to. It does not grant permission for any amendments to the development which may be shown on the drawings or referred to in the information submitted.

Any amendments to the proposal should be the subject of a separate application to the Council under the non-material amendment procedure, or the minor material amendment procedure.

Yours sincerely,

Sam Wallis
Senior Planning Officer
