

Appendix 1.9 Landscape Designations

Cranleigh is in the north-west corner of the Weald in a rural setting. It is surrounded by areas of Green Belt, the Surrey Hills Area of Outstanding Natural Beauty (AONB) and Areas of Great Landscape Value (AGLV) as shown on the map below taken from Waverley Borough Council Landscape Review Study June 2014 Appendix A.

As part of the Neighbourhood Plan process, Waverley Borough Council requested that a review be carried out with regard to the Area of Strategic Visual Importance centred around Snoxhall Fields.

The ASVI review document is available on the Parish Council website www.cranleigh-pc.gov.uk
