

Appendix 2.6 Cranleigh Showground

Event	Annual Cranleigh Agricultural Show (Mini Questionnaire)
Date	Saturday 2 August 2014
Venue	Cranleigh Showground
Purpose	Mini Survey to gauge interest in the Neighbourhood Plan and to introduce the concept of Neighbourhood Planning to a wide audience.
Evidence Report by	Housing Group

The Housing Group set up a stall at the Cranleigh Show in a highly visible place adjacent to the dog display ring. We had approximately 300 visitors and 101 residents completed the questionnaire.

Respondents strongly agreed that housing should be on brownfield sites within the current settlement boundary and the preferred number of dwellings on each site 100 or less.

People wanted a mixture of market and affordable housing of varying types from small to large. A number of people also wanted homes for rent for people from Cranleigh only, as well as retirement homes/sheltered housing.

The questionnaire provided the following information and asked 4 questions:

Cranleigh has grown by 85 new homes over the last 5 years, and there are 67 homes with planning permission that are not yet built. Of the homes built 39 of these were affordable homes, and there are approximately 159 people in the Cranleigh community on the housing needs register waiting for homes.
