

Appendix 2.8 Informal Consultation on Neighbourhood Plan

Event	Informal Consultation on draft Neighbourhood Plan
Date	12, 13 &14 July 2018
Venue	Village Hall
Purpose	Consultation on draft Neighbourhood Plan, agreement and comments on objectives, policies, green spaces, ASVI review and call for sites.
Evidence Report by	Neighbourhood Plan Committee

The informal consultation took place over three days in the Village Hall. It was promoted in the Challenger magazine which goes to every household, posters were put up around the village and flyers were handed out at various locations. Local businesses were informed by the Chamber of Commerce and the event was advertised on the Cranleigh Community Facebook page (over 4,000 members):

Thursday 12 July 2018 - 9am to 4pm

Friday 13 July 2018 - 4pm to 8pm

Saturday 14 July 2018 - 9am to 12:30pm

Over 250 people visited the Village Hall over the three days.

Appendix 2.8 Informal Consultation on Neighbourhood Plan

There were 5 different stations set up in the hall with several Parish Councillors available to answer queries and explain the underlying material:

1. **Green Spaces.** Individual maps of all the green spaces proposed were provided together with a map of the village area highlighting all spaces. A questionnaire was provided asking if people agreed with each proposal and requesting additional personal comments/experiences.
2. **Draft Vision, Objectives and Policies.** This station provided copies of the draft plan with the draft Vision, Objectives and Policies provided on display boards. Comments on each area were invited via a questionnaire.
3. **Area of Strategic Visual Importance (ASVI) Review.** A full copy of the draft review was available on this station, together with a questionnaire to assess support for the project and any other comments
4. **Call for Sites.** Copies of Waverley Borough Council Land Availability Assessment May 2018 was available, together with a full list of the all sites assessed under the Neighbourhood Plan. Green belt submissions were subject to initial assessed but, given the extent of the housing requirement, it was not necessary to assess them further. As a result, they were excluded. The sites that were assessed as 'suitable for development' and those with 'minor constraints' were presented on the display boards and comments were invited on a questionnaire of those sites that had not yet been granted permission or where a planning application had not yet been submitted to Waverley Borough Council. A list of sites with active planning applications was also displayed and comments invited.
5. **Suggested Projects.** Preferences were invited to prioritise Parish Council projects.

All responses from the informal consultation are available on the Parish Council website www.cranleigh-pc.gov.uk

The closing date for all completed questionnaires was Friday 20th July 2018.
