Subject: RE: Examination of the Cranleigh NDP - Note of Interim Findings from the Examiner

Dear Marissa

The Council held an EGM last evening to discuss the correspondence you attached from Ann Skippers, the Neighbourhood Plan Examiner.

The Council has decided to proceed with Option B, which includes the conduction of additional work to the SEA and updates to the HRA, in cooperation with Waverley Borough Council. The Council notes the modifications and recommendations within the interim findings with regards to the policies, however whilst we are agreeable to changes being made during the examination, we do not consider that these fundamentally alter the overall spirit and direction of the Plan.

I would be grateful if you could copy me in to any correspondence to the Examiner.

Please do not hesitate to contact me if you require any further information in order to proceed.

Kind Regards
Beverley Bell FSLCC
Parish Clerk
