

Policy for Discussion with Developers.

The Council considered advice given by WBC and SALC regarding meeting with developers and AGREED that future discussions with developers would be at Planning Committee or Council meetings held in public.

Councillors may attend public exhibitions hosted by developers but must be aware that the Code of Conduct is engaged and care should be taken not to pre-determine their response to any future planning proposal.

October 2022.

Policy Review Date: October 2026.
