

Area: Waverley

Issue 145 – 19th to 25th August 2019

Our weekly bulletin policy

Our policy with regards to the weekly highways bulletin is to include utility works on traffic sensitive streets requiring the deployment of a road closure or traffic management that would cause a major impact (e.g. multi-way traffic lights). This policy is to ensure works that are most anticipated to have an impact on the network are highlighted. Our weekly bulletins are a snapshot in time and will only include details of works which have been agreed up to the time the report is extracted.

All other road works can be found through the [roadworks](#) website. You can register for alerts regarding roadworks by clicking 'Sign up here' on the pop out for the set of Surrey Highways or utility works that you are interested in. You will then receive an alert when any of the details of those works change. Have your say about our roadworks by completing our [feedback form](#).

Surrey County Council works due to be carried out between 19th and 25th August

If you have any queries about the Surrey County Council works please contact the Works Communication Team - works.communication@surreycc.gov.uk ☎ 0300 200 1003 or visit www.surreycc.gov.uk/roadworks for full details of all works, where you can also set up email alerts for areas you are interested in.
