APPLICATION FOR WORKS TO TREE SUBJECT OF TREE PRESERVATION ORDER 26/99

APPLICATION FOR WORKS TO TREES SUBJECT OF TREE PRESERVATION ORDER 26/99

OBJECTION – Members noted that 3 of the trees are outside of the property boundary and the landowners permission will be needed to carry out the tree works.

As there are works proposed to multiple trees Members request that an arboricultural report is carried out and submitted to ensure there is no negative impact to the trees.

[TM/2026/00204](#)

Fairview House, 116 Horsham Road, Cranleigh, GU6 8DY

APPLICATION FOR WORKS TO AND REMOVAL OF TREES SUBJECT OF TREE PRESERVATION ORDER 29/01

OBJECTION - Members strongly request that an arboricultural report is carried out and submitted due to the significant work proposed to T4 to provide the justification for the extent of the works.

Members highlighted that there is a ditch nearby, the trees currently remove a large volume of water from the ground, particularly the willow tree and there is a risk of subsidence if the works are detrimental to the willow tree leading removal.

Members support the removal of T3.
