### Snoxhall Fields Footpath Specification January 2024

#### Purpose

1. To create a circular footpath around Snoxhall Fields.
2. To re-surface the play park footpaths with a tarmac road with painted road markings.

#### 1. Circular Footpath

Snoxhall Fields has two distinct sections: east and west of the Downs Link.

##### East of the Downs Link

- To install new footpaths as shown in blue on the map below.
- The concrete footpaths in red to remain as shown.

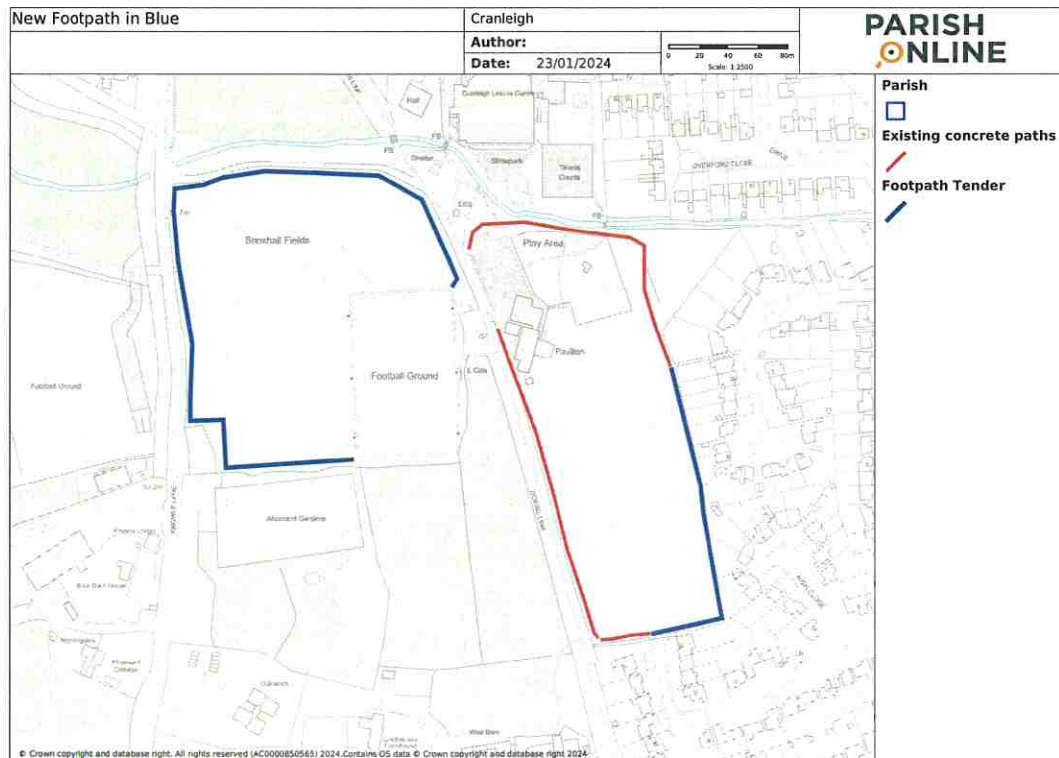

##### West of the Downs Link

- To install new footpaths as shown in blue on the map below.
- To connect the new footpaths to the tarmac adult football pitch perimeter path.

#### New Footpath Specification

(To be similar to the footpath running adjacent to the western edge of the car park)

- To grade soil to raise footpath and create natural water run off of the new footpath.
- Lay 100mm compressed depth clean crushed concrete (or similar) base layer over Terram ground cloth or similar.
- Lay 100 mm compressed depth Clean Limestone Type 1 MOT.
- Finish with layer of granite dust.

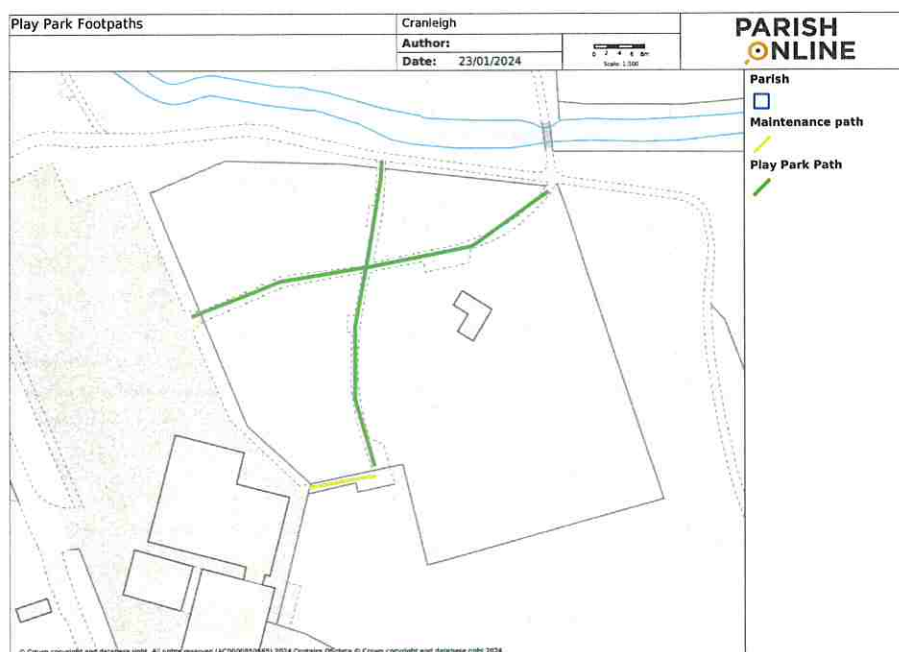

## 2. Play Park Footpaths

- To clean off any loose material.
- To re-surface the footpaths with tarmac and grade the edges to remove any trip hazards, shown in green below.
- To line mark the footpath with road markings: central long dotted line, painted roundabout at the intersection and give way markings at the gates.

New Footpath to maintenance access gates shown in yellow below.

- Lay 100mm compressed depth clean crushed concrete (or similar) base layer over Terram ground cloth or similar.
- Lay 100 mm compressed depth Clean Limestone Type 1 MOT.
- Finish with layer of granite dust.

### Environmental Improvements PIC Funding January 2024

PIC funding remaining: £4,552.25

There are a number of criteria that have to be met to access this funding:

- the project must be a new capital project
- the funding cannot be used to repair or maintain existing equipment/facilities or undertake services that you would normally be expected to carry out
- the funding cannot be used to maintain the new project in the future

The types of projects that fall within the environmental improvement budget include (but are not limited to):

- village / town signs
- notice boards
- benches
- public realm enhancements

#### Suggestions for Snoxhall Fields
